

Connecting Rods for Unsheeted System Arch Gate

**Hardware Kit
46900088**

THANK YOU FOR PURCHASING THIS PRODUCT

Behlen Country has been in the business of providing quality products for more than 75 years. Our products will provide many years of service when maintained by the owner and used in accordance with the capabilities of the product. For questions about this product, or for parts inquiries, please contact our Customer Service Center listed below.

The U-Rods (46601102) are to be used to hook the new style crowding corrals and new style Corral Panels to the Arch (46180222) on unsheeted systems.

Using the two U-Rods provided, attach the Corral Panel with the Rod Connector - female end (Do **NOT** use side with the pin and chain weldment) to the Okies on the Pivot Weldment on the Arch Gate as shown.
