THANK YOU FOR PURCHASING THIS PRODUCT

Congratulations on your purchase. Behlen Country has been in the business of providing quality equipment to landowners for more than 75 years. Our equipment will provide many years of service when maintained by the operator and used in accordance with the capabilities of the product. For questions about this product, or for parts inquiries, please contact our Customer Service Center listed below.

Assemble the 3 Block or 4 Block Mineral Feeder as shown. To prevent the nut and bolt from becoming rusted together, coat the threads of the bolt with grease or anti-seize before the nut is screwed on. Do **NOT** over tighten the assembly, just tighten everything so it is snug.
